

ACT for AUTISM

5K RUN and 1MILE WALK

Saturday, August 1st, 2009

Help us help families with autism.

The Early Intervention Center (EIC) provides center based services to children with autism ages 8 and under. This highly structured program teaches children the skills they need to be successful in both their everyday lives and in an educational setting. 100% of the proceeds will benefit the EIC, a Michigan 501(c)(3) organization. Official pledge forms are available on the website.
